Because Jacob took matters into his own hands, he had to leave his home. Even when he returned, he started his life over in the new land God had promised, not his homeland.

Even though we can't go back and fix our mistakes, God still loves us and uses us for His purpose. Read Genesis 32:24–32 and Genesis 28:10-16.

God blessed Jacob, after all his failings! His name was changed to Israel, and he lived in the land God had promised his ancestors. Even though Jacob had disobeyed God, He still used Jacob as the father of a great nation. God still loves us and accomplishes His plans through us even when we goof up!

What are some ways God is working through you? How are you using the gifts God has given to you?

Think about it. Like Jacob, are you aware of God being with you? Make a point of being more "aware" this week and purposefully use the gifts He has given to you. Talk to God. Ask Him to help you be aware of His presence. Ask Him to help you make good choices.

**Genesis 28:16** *When Jacob woke up from his sleep, he thought, "Surely the Lord is in this place, and I was not aware of it."*
